Unveils ERP 9 Series

Management software company Tally Solutions on Wednesday launched upgrade version — Tally ERP 9 Series 'A' Release 3.0 — designed for seamless business execution with new features and enhanced functionalities, including the incorporation of the new Rupee symbol. The new version includes introduction of its bi-directional language feature, simplification of business processes via Job Work and Payroll via Income Tax for payroll, the company said in a statement. Tally also provides another interesting feature that facilitates for 'inter-currency' conversion.
