# Tally ERP 9 Series launched in Doon

**By OUR STAFF REPORTER**  
**DEHRADUN, 27 Feb:** Tally Solutions Private Limited, a business management software company, launched the Tally-ERP 9 Series 'A' Release 3.0, especially designed for seamless business execution, at a local hotel here today.

The software was jointly launched by Sumeet Roy (Regional Head -Tally Solutions (P) Ltd., Sanjay Gupta (Director Hitech Services - Master Tally Partner -Uttarakhand), Ashendra (Manager Tally Solutions (P) Ltd., Manish Dora (Director - Hitech Services) and Dev Mohan Tiwari (Head Sales, Hitech Services).

Sumeet Roy said that most often simple was confused with basic. He said that Tally ERP 9

was very simple to use, yet comprehensive. "The focus has been to absorb the complexity of

providing a simple yet functionally rich and flexible product," he said and added

that with the inclusion of the rupee symbol, job work for outsourced manufacturing and Arabic, etc., the capability of Tally ERP 9 had gone up a couple of notches.

Tally also provided another interesting feature that facilitated inter-currency conversion. It allowed the user to select a base currency and converted the consolidated reports of all international branches of the business into the same. "With all this and a host of other new capabilities, Tally becomes India's most comprehensive business management software and extends its reach beyond borders," Roy declared.
